

MiraSol Drop Screen

Zip and Wire Guide Drop Screen Systems

Customizable drop screens with sleek, durable designs—zippered or wire-guided for year-round protection.

- Choose between zippered side channels with fabric tension or discreet wire guides
- Fully enclosed cassette with a modern, square profile; available in multiple colors
- Shields against sun, wind, rain, and insects

Product Parts

Cassette - Fully enclosed, high-quality aluminum

Side Channels - Wire Guide or Zipper Track System

Fabric - Exterior Shading Screens by Twitchell

Electronics - Somfy[®] Maestria™ RTS 510A2 120V AC Motor

Technology

Sol-Lux awnings utilize Somfy[®] line voltage and battery-powered RTS motors for smooth and reliable operation and offer a range of convenient controls including the Somfy app when adding the Somfy TaHoma Hub.

Product Options
